## Annotations

1 Whether users click on **Terms & Conditions** or **Privacy Policy** or **Q & A's** or **Copyright Policy**, they'll end up on this page to make sure all **Legal Disclaimers** are grouped together and easy to find.

There is no need to agree to anything since by creating an account users already agreed to following them.

2 Close button will close the page and take users to the previous page they were on—or they can choose to click on another link and ignore the Close button.
